Academy Rules:

Attendance – students must attend academy each scheduled day. When there is sickness, or another good reason, the school must be notified as soon as possible on that day. When the student returns to school, a written note is required.

Inappropriate Items – the normal items that schools and colleges exclude are not to be brought to The Villa Education Academy (gum, alcohol, cigarettes, inappropriate literature or electronic material).

Internet Use - the Internet and e-mail facilities must not be misused in terms of sending or downloading inappropriate materials. All students/parents will be required to sign a standard Cyber safety agreement form.

Student subject choices:

At The Villa NCEA Academy, students can take six subjects across NCEA Levels 1-3. Core subjects of English and Mathematics are taught by specialist teachers for one period respectively each day.

In addition, generalist teachers will support students to study three or four additional subjects, chosen in consultation between the student and the principal.

Please outline below your preferred subject choices/areas of interest.
